

Dear Community Partner:

It's time again for Empty Bowls! This year marks our 6th annual event benefitting Feeding Umpqua. We are excited to invite you to fight hunger in your community by sponsoring and attending this great event.

Delicious Soups + Beautiful Bowls + **You** = The Most Successful Empty Bowls Ever!!

You can make a difference! There is no doubt that the rising cost of food and housing is again worsening food insecurity in Oregon and here in Douglas County. Last month, our numbers soared with **over 25,000 people** accessing emergency food. The number represents a **68% increase year-to-year**. The safety net our emergency food network provides is critical to keeping folks fed, healthy, and provides an important offset to already stretched household budgets. No one should have to choose between paying rent and keeping their families fed.

Sponsorships are essential to our success. You can help us meet our fundraising goal by signing up today to become part of this exciting event. A sponsorship will provide your company with many benefits, including exposure to nearly 150 guests and recognition on our website and social media channels, which reach thousands more people. Please review the enclosed information and reply by **July 15th** with your preferred level of sponsorship. With your support, Feeding Umpqua will continue to lead the way to hunger-free communities while addressing the urgent need for food assistance among children and families in Douglas County. Every dollar we raise, helps provide 3 meals for families in need!

We look forward to hosting you and your guests at this year's signature Empty Bowls event!

We are so thankful for your support! It is incredible to have such amazing people in this community working to stop hunger. For questions or more information, please don't hesitate to reach out at 541-492-3518 or Sarah.McGregor@ucancap.org.

Yours sincerely,
